PROFILE

Hi I am Lawrence Passens

I am a 33-year-old Software & Technical Engineer student, from Sandton, South Africa. I am passionate about system management, software development, and computer engineering. I have a background in Performing arts & graphic design. I am well experienced with facilitating children from toddlers to young adults as a former dance instructor.

I am in the market for a full-time position. I have an interest in working for a company that will be able to build on my skill set & provide opportunities to grow.
